Investment Philosophy

Our investment philosophy focuses on companies with attractive valuations that consistently grow their earnings while exhibiting lower price volatility than the market. Although the emphasis is on stock selection, being able to identify and control risk at the portfolio level is an important component of the strategy. Our quantitative and fundamental blended investment process helps us to identify these types of companies and build portfolios that exhibit these characteristics in our attempt to provide our clients long-term outperformance with less risk.

PERFORMANCE DISCLOSURES

Sawgrass Asset Management, LLC. (Sawgrass) claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS® standards. Sawgrass has been independently verified for the periods 31 March 1998 through 31 December 2022. The verification report is available upon request. A firm that claims compliance with the GIPS standards must establish policies and procedure for complying with all the applicable requirements of the GIPS standards. Verification provides assurance on whether the firm's policies and procedures related to composite and pooled fund maintenance, as well as the calculation, presentation, and distribution of performance, have been designed in compliance with the GIPS standards and have been implemented on a firm-wide basis. Verification does not provide assurance on the accuracy of any specific performance report. GIPS® is a registered trademark of CFA Institute. CFA Institute does not endorse or promote this organization, nor does it warrant accuracy or quality of the content contained herein.

Sawgrass is a 100 percent employee-owned Registered Investment Advisor whose primary focus is to provide institutional investment management services.

Gross returns do not reflect the deduction of investment advisory fees but do include transaction fees. Gross and net returns include the reinvestment of all dividends and income. Net of fee performance was calculated by reducing the actual management fee charged to clients, or if part of a balanced account by reducing the highest management fee charged, in accordance with the Diversified Large Value Equity strategy fee schedule.

Performance is in U.S. dollars. A comprehensive list and description of the firm's composites and limited distribution pooled funds, and additional information regarding policies for valuing investments, calculating performance, and preparing GIPS reports are available upon request. Past performance does not guarantee future results. Investments are subject to risk and may lose value.
