Investment Philosophy

Our investment philosophy seeks to capture the growth potential of the market with a risk-conscious approach that takes advantage of the long-term compounding benefits provided by downside protection. We focus on companies that exhibit consistent/stable earnings growth, low price volatility, and attractive valuations.

Our quantitative and fundamental blended investment process helps us to identify these types of companies and build portfolios with an attractive long-term balance between upside participation and downside protection.

Consistent/Stable Earnings Growth	*Seeks to target companies that have demonstrated ability to provide consistent earnings*
Low Price Volatility	*Seeks to provide consistent growth in an effort to control risk and minimize volatility*
Attractive Valuations	*Aims to target companies with favorable valuations*

PERFORMANCE DISCLOSURES

Sawgrass Asset Management, LLC. (Sawgrass) claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS® standards. Sawgrass has been independently verified for the periods 31 March 1998 through 31 December 2024. The verification report is available upon request. A firm that claims compliance with the GIPS standards must establish policies and procedure for complying with all the applicable requirements of the GIPS standards. Verification provides assurance on whether the firm's policies and procedures related to composite and pooled fund maintenance, as well as the calculation, presentation, and distribution of performance, have been designed in compliance with the GIPS standards and have been implemented on a firm-wide basis. Verification does not provide assurance on the accuracy of any specific performance report. GIPS® is a registered trademark of CFA Institute. CFA Institute does not endorse or promote this organization, nor does it warrant accuracy or quality of the content contained herein.

Sawgrass is a 100 percent employee-owned Registered Investment Advisor whose primary focus is to provide institutional investment management services.

Gross returns do not reflect the deduction of investment advisory fees but do include transaction fees. Gross and net returns include the reinvestment of all dividends and income. Net of fee performance was calculated by reducing the actual management fee charged to clients, or if part of a balanced account by reducing the highest management fee charged, in accordance with the Sawgrass Large Cap Quality Growth Equity strategy fee schedule. Prior to 12/31/2015, the highest management fee was utilized to calculate net-of-fee performance.

Performance is in U.S. dollars. A comprehensive list and description of the firm's composites and limited distribution pooled funds, and additional information regarding policies for valuing investments, calculating performance, and preparing GIPS reports are available upon request.

Past performance does not guarantee future results. Investments are subject to risk and may lose value.
